MAIN FEATURES:

Zero G™ preset position:

One touch button that raises the legs and the head to promote circulation and relieve pressure off of the lower back.

Wireless remote with programmable presets:

Ability to program up to 4 custom positions.

3-Level massage:

10, 20, and 30 minute timer. 2 motors in every size.

Offline voice control:

Allows you to adjust your bed using voice commands.

LED flashlight:

On touch button to turn the flashlight on the remote on or off.

LED under bed lighting:

Set the mood or find the door - whatever you do with our below-bed LED lighting is up to you. We just don't want you stumbling around in the dark.

USB outlet:

Charge your favorite mobile devices with USB outlets on each side of the base.

Foldable and UPS'able:

Provides a foldable base for easy storage, setup, and transportation.

Slim profile:

The base has a thickness of only 3". Therefore, you can easily fit your adjustable bed into your favorite bed.

Gravity release safety feature:

Head and foot motors designed to lower the mattress by retracting only with gravity, never pulling downwards, which minimizes pinch points.

Compatible with headboard:

Compatible with our headboards. Headboard brackets sold separately.

Battery back up strap:

In the event of a power outage, the base can be brought to a flat position by installing batteries to the emergency strap under the bed.

Smooth Power™ lifting system:

Head and foot motors that gradually increase in power when articulated, providing the user with seamless transition from position to position.

Zero Standby Power™ system:

For the energy conscious consumer, the Zero Standby Power System consumes < 1 W when not in use.

Smart Sync™ pairing system:

Synchronization has never been easier. Simply connect two 39" XL bases with the sync cord provided. Each remote will operate both bases simultaneously. Just plug and go!

Next generation SilentDrive™ motors:

Head and foot motors engineered to preserve a peaceful sleep environment by creating very little noise when activated.

4-Level legs:

4-Level black round legs included: 3", 6", 9" and 12". Different legs can be purchased separately. Designed for full operation with legs or placed on a flat surface.

Weight limits:

Supports a maximum weight of 750 lbs evenly distributed across the base.

Nationwide warranty support:

Backed by Ergomotion's 10 Year Limited warranty and industry leading customer service.
